§ 8602. Notice of Violation.

The Department shall issue a Notice of Violation to licensees in violation of the applicable statutes and regulations. A copy of the Notice of Violation shall be served upon the licensee and legal owner of the property. The Notice of Violation shall contain all of the following:

(a) A brief statement of the violation(s) alleged;
(b) A statement of whether the violation is correctable, and a timeframe in which the violation shall be corrected; and
(c) Appeal rights and procedures as follows:
   (1) Respondent's right to a hearing will be deemed waived if respondent fails to respond in writing within 10 calendar days from the date the Notice of Violation was received by the respondent, or respondent's agent for service.
   (2) If applicable, notice of an administrative hold.

Reference: Sections 19312, 19320, 19326, 19327, 19332, 19332.2, 19335, and 19347, Business and Professions Code.

§ 8603. Administrative Hold Procedure.

To prevent destruction of evidence, illegal diversion of cannabis or nonmanufactured cannabis products, or to address potential threats to the environment or public safety, while allowing a licensee to retain its inventory pending further inspection, or enforcement action, the Department may order an administrative hold of cannabis or nonmanufactured cannabis products pursuant to the following procedure:

(a) The notice of administrative hold shall provide a documented description of the cannabis or nonmanufactured cannabis products to be subject to the administrative hold and a concise statement, regarding the basis for issuing the
administrative hold.

(b) Within 24 hours of receipt of the notice of administrative hold, the licensee shall physically segregate all designated cannabis or nonmanufactured cannabis products subject to the hold and shall safeguard and preserve the subject property as noticed.

(c) Following the issuance of a notice of administrative hold to the licensee, the Department shall identify the cannabis or nonmanufactured cannabis products subject to the administrative hold in the track-and-trace system.

(d) While the administrative hold is in effect, the licensee is restricted from selling, donating, transferring, transporting, or destroying the subject property noticed.

(e) Nothing herein shall prevent a licensee from the continued possession, cultivation, or harvesting of the cannabis subject to the administrative hold. During the hold period, all cannabis or nonmanufactured cannabis products subject to an administrative hold shall be put into separate batches.

(f) Nothing herein shall prevent a licensee from voluntarily surrendering cannabis or nonmanufactured cannabis products that are subject to an administrative hold. The licensee shall identify the cannabis or nonmanufactured cannabis products being voluntarily surrendered in the track-and-trace system. Voluntary surrender does not waive the right to a hearing and any associated rights.

(g) The licensee shall have the right to appeal an administrative hold ordered by the Department as required by Section 8604 of this Chapter, except the Department shall schedule an informal hearing within 10 calendar days from receipt of the request for an informal hearing and issue the written decision within 5 calendar days after the conclusion of the hearing.

The request shall be received within 30 calendar days from the date the Notice of Violation was received. The request shall include the following:

1. The respondent’s name, mailing address, and daytime phone number;

2. If applicable, the license number issued by the Department;

3. Copy of the Notice of Violation;

4. A clear and concise statement for the basis of the appeal or counts within the Notice of Violation; and

5. Choice of hearing in person, telephonic, record (written) hearing.
(b) Failure to submit a written request constitutes a waiver of the respondent's right to contest the Notice of Violation. Untimely requests for an informal hearing will not be considered.

(c) If the Notice of Violation places an administrative hold on cannabis or nonmanufactured cannabis products, the hold shall remain in effect pending the outcome of the informal hearing.

Authority: Sections 19304 and 19332 Business and Professions Code; Sections 11362.777, Health and Safety Code.

(a) The Department shall schedule an informal hearing within 45 calendar days from receipt of the request for an informal hearing.

(b) The Department shall provide a notice of the informal hearing to the respondent containing the following information:

1. Date, location, and time of the informal hearing;
2. Summary of the violations;
3. Any other information or documentation necessary for the hearing; and

(e) The decision shall be served on the respondent either by personal service, mail, email or via facsimile per respondent’s request/direction; and

(f) The respondent may appeal the hearing officer's decision by filing a petition for a writ of administrative mandamus in accordance with the provisions of the Section 1094.5 Code of Civil Procedure.
§ 8607. Licensing Actions.

(a) The Department may take a licensing action for any violations noted as “Serious” in Table A, or at the discretion of the Department.

(b) If the licensee holds multiple cultivation licenses, the Department may simultaneously revoke, suspend, or impose conditions upon some or all of the cultivation licenses held by licensee based on violations noted as “Serious” in Table A above, by taking any one of, or combination of the following actions:
